Provides referrals and information about car seats.

Early Intervention Program

Call CONNECT: 1-800-692-7288

While all children grow and develop in unique ways, some children experience delays in their development. Children in Dauphin County with developmental delays and disabilities benefit from collaboration among parents, service practitioners and others who work with young children needing special services. **The Dauphin County Early Intervention program provides support and services to families with children, from birth to age three with developmental delays and disabilities.** Early Intervention builds upon the natural learning opportunities that occur within the daily routines of a child and their family.
